**Tea and coffee rota**

Many thanks if you have put your name on the rota. If you have not yet had an opportunity, there are still a number of dates to be filled.

It is now a simple task as everything is provided. All you have to do is spend five minutes before the service getting the mugs and other items out of the cupboard. Partway through the service go over to the kitchen and switch on the water heater. After the service serve the drinks, wash up and put items back into the cupboard.

Sharing social time with others after the service is an important part of what we do. In addition, for anyone new joining us it provides an opportunity to offer refreshments and friendship. In anticipation - thank you for your help
